

IMPORTANT NOTICE FROM GLENORCHY CITY COUNCIL

Glenorchy City Council is moving to a three-bin waste collection service. The new bin is for garden waste and food scraps, and is called a FOGO bin (Food Organics Garden Organics).

FOGO bins will start rolling out across Glenorchy starting 13 January 2020, and will take up to four weeks to arrive.

WHAT DO I GET WITH FOGO?

- A new wheelie bin with a lime green lid
- A kitchen caddy for food scraps
- A roll of compostable liner bags

WHEN DOES IT START?

- FOGO collections start mid-February 2020
- You will get a notice a week before collection starts
- FOGO bins go out on the kerb on the **OPPOSITE** week to your waste and recycling

Any questions please call our customer service team on 03 6216 6800, or visit our waste website **www.wastestartswithu.com.au**

YES YOU CAN

FOOD SCRAPS

Meat, bones (cooked or raw), seafood, dairy, vegetables and fruit scraps

GARDEN WASTE

Grass clippings, leaves, bark, weeds, small branches no thicker than your forearm

PAPER

Shredded paper, paper towels, paper napkins and tissues, compostable take-away food containers and pizza boxes

ANIMAL WASTE

Pet hair, organic kitty litter, soiled paper from birdcages. Pet poo yes, but NOT in plastic bags - wrap in newspaper or put in compostable bags.

USE THE APP!

Download the FREE Recycle Coach app for handy mobile phone reminders 12hrs before collection

NO YOU CAN'T

No hard or soft plastics (not even biodegradable), fabric or clothes, nappies, normal recyclable items, waxed or laminated paper, thick tree branches or other rubbish.

VERY IMPORTANT

Please do not put plastic bags in your kitchen caddy or outdoor FOGO bin – not even degradable, biodegradable or ‘plant based’ bags – they can all still contain plastic and break down to become micro-plastics which are very bad for our environment. If you run out of compostable bags, contact our Customer Service team on 03 6216 6800.
